ADMISSION OF PATIENTS.

Out-Patients will be seen only by appointment booked in advance at the Appointment Bureau in the Out-Patient Department.

All applications must state the patient's name, address, the nature of their complaint, the name of the doctor their own doctor wishes them to see, and whether this is their first attendance, and should be made either personally, by letter or telephone (No. 2833) between the hours of 9 a.m. and 5.30 p.m.

All patients for electrical and massage treatment should first be seen in the Out-Patient Department and must book an appointment in advance.

Patients who are required by their doctors to have an X-ray examination should attend daily at 10 a.m., excepting Sundays. No appointment is needed unless the examination is one which requires special preparation such as examination of alimentary and urinary tracts, gall bladder, etc., in which case it is necessary for an appointment to be booked beforehand. Appointments may be booked in writing or by telephone, but if patients live locally it is advisable that they, or friends or relatives on their behalf, should obtain an appointment, instructions and medicine by a personal visit to the X-ray Department. Before proceeding to the X-ray Department for the Examination the patient must call at the Appointments Bureau in the Out-Patient Department for recording purposes.

REPORT

FOR THE YEAR

JANUARY 1st to DECEMBER 31st, 1942.

The Management Committee and Council of the Northampton General Hospital Guild have pleasure in submitting their Fourth Annual Report and Accounts, being in respect of the year ended 31st December, 1942.

AUXILIARY BENEFITS.

The various Auxiliary Benefits allowed by the Guild to members of the No. 1 Contributory Scheme, continue to be in considerable demand. An increase of grants made during the year 1942 is accounted for by the introduction at January 1st, 1942, of a scheme enabling contributors through the County Committees to be allowed the benefits hitherto granted only to members contributing through the Borough of Northampton. Below are shown the number of the various grants made:—

<i>Benefit.</i>	<i>No. of Grants.</i>
Spectacles	915
Surgical Appliances	413
Convalescent Treatment	16

The Coastal Convalescent Homes previously used by the Guild have now all been closed with the exception of the Lady Forester Home, Llandudno. To enable contributors to have a choice of Homes, an inland Home at Cotswold Tark, Cirencester, has been selected, which it is hoped will prove of benefit to patients.

NORTHAMPTON GENERAL HOSPITAL CONTRIBUTORY SCHEMES Nos. 1 and 2.

The income of the No. 1 Contributory Scheme during the year totalled £44,060 14s. 0d. The result is one which gives considerable satisfaction to your Committee and the Authorities of the Hospital.

The year 1942 was the first full year of operation of the Scheme at 3d. per week and shows an increase of £11,940 10s. 9d. over the last working year at 2d. per week, being 1940. The increase over 1941, when for the last three months of the year contributions were at 3d. per week, is £10,260 0s. 2d.

During the year, your Committee, in consultation with the Board of Management of the Hospital, has been successful in arranging a scheme with the various Education Authorities, whereby children of Contributors receive free treatment at the Hospital for Tonsils and Adenoids.

The No. 2 Scheme continues to increase in membership, and during 1942 had an income of £920 2s. 2d., having exceeded the 1941 income by £261 6s. 5d.

It is perhaps not realised that from the outbreak of war to December 31st, 1942, the No. 1 and No. 2 Contributory Schemes have been the means of raising £119,116 19s. 0d. for the Northampton General Hospital. This outstanding success of the Contributory Scheme movement in Northampton and District, is a tribute in itself to many who in such difficult times have given a "helping hand."

The Management Committee and Council desire to offer their sincere thanks to all members of the Contributory Schemes, to the Secretaries of Works Groups, and to the Town and Village Committee Secretaries who have contributed so magnificently to the year's work. For the untiring efforts of the Honorary Collectors, who have carried out their duties so loyally, special thanks are expressed.
